CUSTOM SOLUTIONS FOR BRANDS

We design custom solutions tailored directly to your brand, from product selection through design to final packaging, always with an emphasis on functionality, trends, and brand visibility.

- Solutions designed directly to measure
- Custom colors and design starting from 50 pcs
- Latest trends and technologies
- Full-color LED and CMYK branding
- Custom packaging and accessories

02

RELIABILITY AND SAFETY

Each order undergoes thorough quality control and meets legislative requirements across the EU. We focus on functionality, safety, and consistent quality throughout the entire assortment.

- Multi-level testing of each order
- Quality control of the manufacturing process
- Compliance with EU legislation
- Standard warranty of 2 years
- Verified and stable technologies

03

RESPONSIBLE APPROACH IN PRACTICE

We maintain sustainability as an integral part of long-term product development. We focus on durability, materials, and solutions that make sense in terms of use and waste reduction.

- Long product lifespan
- Products made from eco-friendly materials (natural and recycled)
- Sustainable energy sources
- Eco packaging
- Wide range across categories

For over 15 years, we have been your guide in the world of TECH gifts.

INFLATABLE TRAVEL PILLOW WITH INTEGRATED PUMP »EASYPUMP«

BUDGET **NEW**

Enjoy comfort on the go! This inflatable pillow provides ideal support for your cervical spine on a plane, in a car and on a train. Forget uncomfortable inflation by mouth – thanks to the integrated pump, it is ready for use within seconds with a simple press. Once deflated, it takes up minimal space. The soft and durable surface is pleasant to the touch and also makes maintenance easier.

SMART LOCATION CARD »SMARTRAQ« WITH NFC FUNCTION

POU128

Ultra-thin smart location card with wireless charging, NFC and support for Apple Find My and Google Find Hub. In the mobile app, you can view its current location at any time. A stylish and practical solution for finding wallets, backpacks and other valuables.

- MOQ** 50 
-  printing, laser, CMYK
 -  80 × 50 × 2.5 mm
 -  plastic

SMART LOCATION TAG »TAGMATE« WITH LEATHER KEYCHAIN

POU135

TagMate is a universal locator compatible with Apple iOS and Google Android thanks to official support of Apple Find My and Google Find Hub. It is integrated into a stylish leather keychain that looks elegant while protecting the durable compact body with a replaceable CR2032 battery lasting up to 12 months, ideal for everyday use and travel.

- MOQ** 50 
-  CMYK, printing, laser, debossing
 -  70 × 48 × 12 mm
 -  plastic

REAR REFLECTOR WITH INTEGRATED LOCATION TAG »TAGMATE MINI«

POU138

Rear reflector with integrated location tag TagMate Mini increases safety while riding and at the same time allows you to keep your bike under constant control via a mobile app. It is compatible with iOS and Android (Apple Find My and Google Find Hub), resistant to water and dust and offers practical protection against loss or theft in one compact solution.

- MOQ** 50 
-  CMYK, printing, laser
 -  60 × 46 × 22 mm
 -  plastic

SMART LOCATION TAG »TRACEY«

POU148

Compact smart locator for easy and reliable tracking of personal items. Works directly with Apple Find My and Google Find Hub without the need to install additional apps and offers quick, intuitive setup. Allows finding items nearby using a sound signal and also their location on a map at unlimited distance.

- MOQ** 50 
-  CMYK, printing, laser
 -  32 × 32 × 8 mm
 -  plastic
