## CUSTOM SOLUTIONS FOR BRANDS

We design custom solutions tailored directly to your brand, from product selection through design to final packaging, always with an emphasis on functionality, trends, and brand visibility.

- Solutions designed directly to measure
- Custom colors and design starting from 50 pcs
- Latest trends and technologies
- Full-color LED and CMYK branding
- Custom packaging and accessories

02

## RELIABILITY AND SAFETY

Each order undergoes thorough quality control and meets legislative requirements across the EU. We focus on functionality, safety, and consistent quality throughout the entire assortment.

- Multi-level testing of each order
- Quality control of the manufacturing process
- Compliance with EU legislation
- Standard warranty of 2 years
- Verified and stable technologies

03

## RESPONSIBLE APPROACH IN PRACTICE

We maintain sustainability as an integral part of long-term product development. We focus on durability, materials, and solutions that make sense in terms of use and waste reduction.

- Long product lifespan
- Products made from eco-friendly materials (natural and recycled)
- Sustainable energy sources
- Eco packaging
- Wide range across categories

For over 15 years, we have been your guide in the world of TECH gifts.

## REAR BIKE REFLECTOR WITH INTEGRATED LOCATION TAG »TAGMATE MINI«

SECURITY

### POU138

A rear reflector with integrated TagMate Mini location tag increases safety while riding and enables bike tracking and theft prevention without the need for additional applications. Compatible with Apple iOS and Android (Apple Find My and Google Find Hub), resistant to water and dust, and offers practical protection against loss or theft in one compact solution.

MOQ 50 

 CMYK, printing, laser

 60 × 46 × 22 mm

 plastic

## BIKE BELL WITH INTEGRATED LOCATION TAG »TAGMATE«

SECURITY

### POU136

A bike bell with integrated TagMate location tag combines the classic bell function with the ability to track the bike via Apple iOS and Android (Apple Find My and Google Find Hub). Durable IP67 design and a sleek look make it a practical and elegant accessory for everyday rides and weekend trips.

MOQ 50 

 CMYK, printing, laser

 45 × 34 × 34 mm

 plastic

## BICYCLE BOTTLE CAGE WITH INTEGRATED »TAGMATE« LOCATION TAG

SECURITY

### POU139

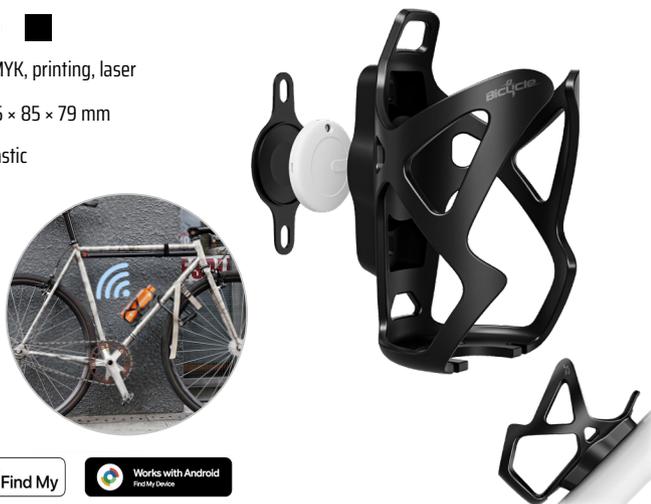

Bike bottle cage with integrated TagMate locating tag securely holds sports bottle and, via phone app, helps you keep bike under control (compatible with iOS and Android). Waterproof design works reliably even in rain or when washing bike.

MOQ 50 

 CMYK, printing, laser

 135 × 85 × 79 mm

 plastic

## SMART LOCATING TAG »TAGMATE« WITH ADHESIVE CASE/HOLDER

SECURITY

### POU132

TagMate location tag for iOS and Android lets you track location of your items via official services on iOS and Android (Apple Find My and Google Find Hub). With compact self-adhesive case, you can easily attach it to sports gear, bicycle, motorcycle, drone, etc.

MOQ 50 

 printing, laser

 53 × 53 × 13 mm

 plastic

strong  
self-adhesive

## SMART LOCATION TAG »TAGMATE« WITH LEATHER KEY RING

### POU135

TagMate is a universal locator compatible with Apple iOS and Google Android thanks to official support for Apple Find My and Google Find Hub. Housed in a stylish leather key ring, it looks elegant while protecting the device. Replaceable CR2032 battery with up to 12 months of battery life, ideal for everyday use and travel.

MOQ 50

CMYK, printing, laser, debossing

70 x 48 x 12 mm

plastic

## SMART LOCATION CARD »SMARTRAQ« WITH NFC FUNCTION

### POU128

Ultra-thin smart location card with wireless charging, NFC and support for Apple Find My and Google Find Hub. In the app on your phone, you can easily locate your wallet, backpack and other valuables. Stylish and practical solution for everyday tracking.

MOQ 50

CMYK, printing, laser

80 x 50 x 2.5 mm

plastic

## SMART LOCATION TAG »TRACEY«

NEW

### POU148

Compact smart locator for easy and reliable tracking of personal items. Works directly with Apple Find My and Google Find Hub services without the need to install additional applications and offers quick, intuitive setup. Enables locating items nearby using an audible signal as well as tracking their location on the map over unlimited distance.

MOQ 50

CMYK, printing, laser

32 x 32 x 8 mm

plastic

## SMART LOCATION TAG

BEST SELLER

### POU060

No more long searches for lost items – portable keyfinder with an audible alarm and a separation alert (out-of-range notification) helps you quickly find anything important. In the app, you can also see on map where the connection was last lost. With compact design, it is ideal for branding and also offers a remote camera shutter function.

MOQ 50
