INNOVATIVE GREY

«With unexpected textures, whether it's using mesh fabrics for bags or developing new and surprising surfaces for our writing instruments, we strive for shades of grey to consistently feel fresh in our collections. This year, we delighted in playing with the juxtaposition of greys and matte black materials, resulting in a look that feels decidedly dynamic and contemporary.»

HUGO BOSS

Design and functionality

The speaker's sleek design and lightweight, compact proportions allow the item to be easily carried from place to place and laid on any surface. It includes a cable router underneath for an even sleeker aesthetic. It is also waterproof (IPX6).

Compatibility

The Iconic wireless speaker is rechargeable via its USB-C port. It wirelessly connects to your smartphone. It has 30 hours of play time autonomy.

Clear audio quality

The 10-watt speaker (2 X 5 watts) delivers crisp and clear sound quality, allowing for deep, smooth bass.

INNOVATION

In the realm of writing instruments, BOSS constantly pushes the boundaries of innovation. By seamlessly integrating cutting-edge technologies and materials, it strives to redefine the writing experience, offering users a blend of functionality and modernity that stands at the forefront of design evolution.

DESIGN

At the heart of BOSS writing instruments is an unwavering commitment to distinctive design. Each product is meticulously crafted, not just as a tool but as a statement piece. The designs marry form and function, elevating the act of writing to a visually stunning and ergonomic experience.

QUALITY

BOSS remains dedicated to the highest standards of quality in every writing instrument it creates. From the initial concept to the final product, a relentless pursuit of excellence ensures that each pen bears the mark of precision and durability. This commitment to quality craftsmanship ensures that BOSS writing instruments are not just tools but timeless expressions of refined taste.
